THE RUN REPORT

RUN # 526

Date: Sunday 17th of August of the year 2003

Location: Forêt de la Malmaison

Hares: *Orange Slip* and *Tomass-with-no-name*

Attendance 14 but as noisy as 50!

It all started in fact on Thursday evening. During the fantastic gathering at the Bombardier, we still didn't have any Hair for the 17th of August. After a quick side meeting between Hash Beer and myself, we came up with the decision that having the Bouffe organized by *Horny Dog* and ice cold beer provided by our very *Iceman*, there was no real need for a run. A simple tree would do to sit under and enjoy what we have. But the *RA* decided to sacrifice himself for the community and he sacrificed *Tomass-with-no-name* with him too. They simply fucked up our plans for a nice and quite afternoon!!! No doubt about it, *Orange Slip* needs to be

renamed, especially that, if you think about his first name, you'll discover interesting thing. Hummm I won't say more!

Two o'clock at Garches, 14 of us gathered and off we went to Foret de La Malmaison. Superb forest indeed! Good choice, hairs! And a good run too. Unfortunately, I wasn't with the front runners to collect gossips. Actually the pack was moving quite quickly; amazing! Or was it me who is a bit slow? All I noticed was *Spanker* missing a huge X sign ... in fact she saw it and shouted On-On instead of coming back. We had to send ... *Return To Sender* to rescue her and bring her back to the right track. Amen! The Beer Stop was next to a beautiful lake full of ducks and "nénuphars". I wonder how *McGoose* would have reacted, he he he. Shortly after a long time spent drinking, on-on was called and off we went again. The Hairs, and *Neon Stripper* who was trying to be helpful, were looking for a bin where to throw the beer bottles so they left the pack unattended. It was rather pathetic scenery of a dismantled group, totally lost, trying desperately to find the way. Finally, someone shouted on-on and we ran and passed some nice lawn with a strong smell of shit. Then the trail went up a steep and endless hill. *Anne-Marie-the-virgin* was running everywhere to find blobs (poofs in France...) of flour and we had to remind her of the new rule set for the day, that one's got to find 4 blobs to be on, instead of the regular 3. *Horny Dog* was experimenting a new technique for climbing mountains: to walk backward. Yeah! However, straight forward or backward, it was the same, with our bellies full of Holy Amber. Huh! *Iceman* and *Cyclope* were breathing heavily but their ladies were not around! Bizarre!! *Neon Stripper* was helping *Royal Flush* and *Sharp Shooter* to climb the hills by pushing them in the butt, he he he! How romantic. *Laughing Vagina* was trying to sweat as much as she could in order to eliminate the alcohol that was in her blood from the previous nightzzzz. Not sure if she was seeing the marking since her eyes looked a bit hazy!

Eventually, the run came to an end and we were safely back in the car park. It was actually a nice picnic area but it was soon empty. I am not sure if people liked our hash songs or our voices.

And there were plenty of DD songs, yeah!

* First THE HARES *Orange Slip* and *Tomass-with-no-name*: thumbs up! Nice run.

* *Horny Dog* because she was leaving Paris. So she had to sit on ice. But since she was appointed Assistant RA it's *Cyclops* who sat on ice ... a bit complicated, eh?

Horny Dog gave the following DDs:

* New comer: *Anne-Marie* made to come (and enjoying it) by *Spanker* who was actually hiding behind a big tree and it took us a while to find her because she's so thin!

* *Laughing Vagina* for misuse of Hash name: she called *Spanker* Yumiko! Scandal !

* *Horny Dog* because as a Co-RA she didn't explain the rules of drinking to the new comer.

* Returnees: *Leami-with-no-name* and *Neon Stripper*

* *Neon Stripper* for helping *Leami* finishing her DD

* Birthday: *Horny Dog* and *Return to Sender*

* *Laughing Vagina* noticed that *Leami* had new shoes. But *Iceman* had to drink from the shoe for he took her to the ... SUPER MARKET to get them!

Horny Dog being exhausted, *Orange Slip The Original* took over. Tiring to be RA, eh?

* *Royal Flush* for using the Dog and Bone with her Grandma who is 99 as we were told.

* *Neon Stripper* for coming up with stupid suggestions, like drinking all the beer before the circle so we don't have down downs ... Ah those Canadians!

* *Make Me An Offer* for having offered on Thursday evening not to set the Sunday trail. Which was a perfect lie. A plot organized against her! Can you believe that? La mauvaise foi la plus totale, incroyable quand même. But *MMAO* is such a nice Harriette that she had the unjust DD without complaining. With stoicism and pride.

* *Spanker* for being too nice: spraying everybody with water to refresh them; calling the RA at 9:30 in the morning to wake him up; putting a cloth on the Hash table; bringing home made Maki.; (yummmi); etc, etc, etc

Back to *Horny Dog*

* *Orange Slip* and *Tomass* for putting the markings on the back of the trees so we cannot see them. Smart arses, eh?

* *Neon Stripper* for impersonating Elvis Presley with his flashy blue running shoes

* *Tomass* for getting overexcited by the number of girls that day: 2 girls for 1 guy. Every man's dream, as he said ... Cool down mate!

Orange Slip 's back in the circle:

* *Return to Sender* for doing politics during the run and tearing a poster against Raffarin

* *Horny Dog* for not knowing who Raffarin was.

* *Sharp Shooter* and *Cyclops* for being very sedate, quite, silent, perfect, etc. etc.

* *MMAO* was then asked to perform a real DD with a real quantity of beer. Of course, she sacrificed herself one more time to the Hash.

* *Spanker*, *Leami* and *Return to Sender* for being athletic and it was connected to some athletic events that take place at Saint-Denis! Don't ask me what the connection was. Besides, at Saint-Denis, the only sport that is known is not really athletics. Never mind! I hope they enjoyed themselves;

* Having sex in the Hash, and with your own partner, it totally forbidden according to rule number 7. Found guilty for this crime: **Royal Flush and Tomass**

* **Horny Dog** and **Cyclops** for leaving us for good. Luckily the Trash hasn't got any sound recorded! All the animals in the forest ran away when they heard the DD song! A bunch of owls would have sounded nicer ...

* **Leami** for leaving for Brazil ... another brand new song invented for the occasion was sang by the Hash Choir.

* Finally **Orange Slip** gave himself a DD for the good and historically dry weather he's been spreading over France for more than 6 months so far.

Hymn 69 was performed under the eyes of **Anne-Marie** who was wondering why the hell she followed **Spanker**.

And we attacked food. Showered with 4 bottles of Champagne and a full cooler of beer, the makki, cheese, eggs, etc. and the delicious birthday cake, got down very well. A five star hash, I can tell you! It was followed by a sing song led by **MMAO** and **Anne-Marie**. Then on to the Three Ducks .. or Geese ... cannot remember. It is a Youth Hostel that sells cheap beer and discovered by our inestimable Hash Beer **Iceman**. **McGoose** called from the airport (yes!) and made his way to the pub in less than one hour. He was obviously desperate for a beer. We stayed there till they kicked us away, met plenty of people, sang again (no one ran away! They must have been more pissed than we were). It was passed midnight! Another nice one was over! Ouf! A la prochaine

HASH HUMOUR

BY HORNY DOG A Cat Story!

A man who absolutely hated his wife's cat decided to get rid of him one day by driving him 20 blocks from his home and leaving him at the park. As he was nearing home, the cat was walking up the driveway. The next day, he decided to drive the cat 40 blocks away and try the same thing. As we was driving back into his driveway, there was the cat! He kept taking the cat farther and farther away, but the darn cat would always beat him home. At last, he decided to drive many, many, miles away, turning right, then left, past a bridge, then right again, through an old industrial section, over another bridge, another left, and another right, and so on, until he reached an unfamiliar part of town that he thought was a safe distance from his home. He left the cat there. Hours later, the man calls home to his wife: "Jen, is the cat there?" "Yes," the wife answers. "Why do you ask?" Frustrated, the man answers: "Put that sunovabitch on the phone. I'm lost and I need directions!"

LETTER TO THE EDITOR

Dear Hash Trash Editor:

My boyfriend still has feelings for his old girlfriends. I'm afraid he will not be faithful. I heard him confessing this to you one night at the pub. Please do not reveal my name or his. I don't want him to know about how I feel. Besides, his efforts at lovemaking only last sixty seconds and he is uninterested in foreplay. What can I do?

Help!
"Worried"

Dear Worried:

A man's capacity to love is boundless. It has been proven to increase with the number of sexual partners. Thus, by having a few other women, **Fucking Fan** is really increasing his love for you. He loves you very much. To be honest with you, foreplay, to a man, is very hurtful. What it means is that you do not love him as much as he loves you. You should be as ready as he is for lovemaking! Why must he work at getting you "in the mood" if you are truly devoted? Abandon this old wives' tale. He is obviously so turned on by you that he cannot control himself. In fact, the shorter the *effort*, the more he loves you. Best thing to do is to buy him a Ranger bass boat and cook him a nice meal -- and don't mention these aspect of his behaviour.

Hash Trash Editor

VERY IMPORTANT HASH SONGS!!!

1 - HERE'S TO (him/them/her)
(BASIC DOWN-DOWN SONG) Melody - Itsel

Here's to
He's true blue, (he's a blue)
He's a Hasher,
Through and through,
He's a pisspot, (he's an asshole)
So they say,
Tried to go to heaven, (he'll never get to heaven)
But he went the other way, (in a long, long way)
So drink it down, down, down . . .

2 - HE'S THE MEANEST
Melody - Itself (similar to Okinawa HHH melody)

He's the meanest,
He sucks the horse's penis,
He's the meanest,
He's a horse's ass.

All he does is pound it,
Ever since he found it,
He's the meanest,
He's a horse's ass.
So drink it down, down, down . . .

WHY WAS HE BORN SO BEAUTIFUL?
Melody - Itself

Why was he born so beautiful?
Why was he born at all?
He's no fuckin' use to anyone,
He's no bloody use at all.

They say he's a joy to his mother,
But he's a pain in the asshole to me,

So drink it down, down, down . . .

THEY OUGHT TO BE PUBLICLY PISSED ON
Melody - My Bonnie Lies Over the Ocean

They ought to be publicly pissed on,
They ought to be publicly shot,
They ought to be tied to a urinal,
And left there to fester and rot,
Drink it down, down, down . . .

THIS IS YOUR DOWN-DOWN SONG
Melody - Ta-Rah-Rah-Boom Te-Ay
Contributed by Nose Candy

This is your Down-Down song,
It isn't very long. . . .

SHORT HYMN Melody - Amen
(with reverence)
Hymn, hymn, (Her, her,)
Fuck him . . . (Fuck her . . .)

INTERNATIONAL HASH HYMN
Melody - Swing Low, Sweet Chariot
Note: gestures accompany words
CHORUS:
Swing low, sweet chariot,
Coming for to carry me home,
Swing low, sweet chariot,
Coming for to carry me home.

I looked over Jordan and what did I see,
Coming for to carry me home,
A band of angels coming after me,
Coming for to carry me home.
If you get there before I do,
Coming for to carry me home,
Tell all my friends that I'm coming too,
Coming for to carry me home.
(repeat with variations: humming and motions only,
silence and motions only, double-time)
